Kevin Konkey

President, Hygieneering, Inc.

How to Train for Safety

Creating compliant safety training and keeping the attention of employees during safety training can be a challenge. This course will discuss developing training that incorporates adult learning principles, delivery of training, and strategies to keep your employees engaged.

Bio:

Kevin Konkey is the President of Hygieneering, Inc. with 27 years of environmental, health and safety consulting, testing, and training experience. Kevin is a Certified Safety Professional (CSP) and Certified Instructional Trainer (CIT) through the Board of Certified Safety Professionals (BCSP).
