

2022 Sponsorship Opportunities

Sign up now for all of your sponsorships throughout the year! Our goal is to make sponsoring more convenient, and help your organization and ours with future planning. As one of our past supporters, you have the opportunity to secure the sponsorships you're interested in right now.

For example, if you know your company will sponsor a hole at the Summit & Scramble, a shooting station at the Sporting Clay Classic, and a convention-related sponsorship, you can claim them all right now. One-stop shopping. Often times it happens that by the time you have a minute to look at another MWFPA email, or get approval for a sponsorship, the item you were interested in has already been claimed.

There are two billing options for your convenience: one annual invoice or receive an invoice prior to each event. We want to make this convenient for you!

Each year your company sponsors MWFPA annual events and we are grateful for your continuing support of the Association's efforts. Consider the list below and give us a call or email when you've made your selections!
